Dear Sir:

The following comments are made in response to the Reasons for Allowance that accompanied the August 10, 2007 Notice of Allowance.

Applicants note for the record that the scope of the Claims is defined by their actual limitations, not by any paraphrase of those limitations. Further the Reasons for Allowance, indicate on page 3 that "Claims 23 - 37 and 73 - 76 are allowed." This statement should not be included since the allowed application only has 17 Claims, all of which were allowed.

Respectfully submitted,
